

Cash for Federation Nation Anglers & State Programs...

Toyota Trucks Bonus Bucks - a special program to benefit BASS Federation Nation members and their states programs. Bonus Bucks is bass fishing's only tow-vehicle contingency program, and it provides the opportunity for anglers to earn extra cash for pulling their boat with the best tow-vehicles on the road, the Toyota Tundra & Sequoia.

Benefits for Federation Nation Anglers:

- Free Toyota Trucks clothing package to each angler registered for the program.
- \$500 to each registered state team member. (Current state team members, who qualified in 2007, and are registered for program are also eligible for this bonus.)
- \$1,000 to each registered State Qualifier to fish the National Championship.
- \$5,000 to the highest placing registered angler at the National Championship - November 3-8, Milford Lake, Junction City, KS.
- \$2,500 to the second highest placing registered angler at the National Championship - November 3-8, Milford Lake, Junction City, KS.

Matching Funds for Federation Nation State Programs:

These funds are paid direct to state programs, based on above mentioned individual angler performances.

- \$250 to each state for each registered state seam member.
- \$500 to each state for registered state qualifier to fish the National Championship.
- \$2,500 to the state whose angler is the highest placing registered angler at the National Championship - November 3-8, Milford Lake, Junction City, KS.
- \$1,250 to the state whose angler is the second highest placing registered angler at the National Championship - November 3-8, Milford Lake, Junction City, KS.
